CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Shree Rang Navchetan Mahila Arts college, Valia is affiliated to Veer Narmad South Gujarat University.

- The college operates at both UG and PG level, keeping in mind the goal of transforming lives through learning and nurturing an environment of intellectual excellence, inculcating values, identifying talents and above all making good human beings.
- In line with the academic calendar prepared by the University, the college prepares its academic calendar, specifying available dates for significant activities to ensure proper teaching -learning process and continuous evaluation.
- The timetable committee designs the timetable which is displayed on the college notice board and college website.
- When the syllabi in various programmes are circulated to the colleges, concern teachers/HoD get the copy of the syllabus

in their subjects.

- Teachers imparts syllabi to students during orientation classes in the beginning of the year and clarify their doubts & queries.
- Most of the teachers function as the member of Board of Studies, Chairperson or other than the chairman.
- They provide important feedback to syllabi designing committees based on their experiences.
- There is a regular up-gradation of teachers' knowledge by participation in Orientation Programmes, Refresher Courses, Other Short - time courses, FDP, Seminars and Workshops.
- Feedback is collected from students and teachers for getting response on curriculum.

Thus, the college provides ample encouragement and opportunity for the overall development of the students.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

College follows rules implemented by VNSGU except the internal exam schedule which is conducted as per college calendar.

Presently the college follows following pattern for internal evaluation of the students in both B.A. & M.A.

- UG Sr. No. Detail Marks Min Marks: 10 Internal Exam 05
Attendance 05 Assignment

- PG Sr. No. Detail Marks Min Marks: 10 Internal Exam 05
Attendance 05 Assignment

However, Students' behaviour, their involvement in co-curricular, extra activities are also taken into consideration for internal evaluation.

Students' evaluation is definitely a major indicator of their performance.

Since present exam system does not have any yardstick to measure student's competence individually, teacher and institution make use of this indicator at various level.

Students with excellent performance are given more opportunity and encouraged to develop their ability in various fields.

Slow learners are offered counselling and guidelines to get through exam so that they may not drop their study.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Student passed out of city colleges mostly prefer city colleges; hence, the Institution comparatively receives slow learners being a college situated in the tribal rural area.

- Slow learners and advanced learners are identified in the introductory sessions or orientation lectures for the freshers.
- Advanced learners are identified by the faculties through class -tests, interactions in the classrooms and keenness on the students' part for learning.
- Advanced learners are given more tasks and often assigned to monitor slow learners.
- Faculties continuously monitor slow learners checking their responses whether oral or written, pointing out their errors and through such corrective measures.
- In subject like English, Economics and Home-science students' basic concepts are clarified before starting the regular courses.
- Faculties come to know about some economical or family reason about student's lagging behind in study, they are provided financial support by respective faculties and counselling is also offered to provide support to the slow

learners

- Advanced learners are guided to refer to the reference books. They are also encouraged to attend symposia or seminars.
- After graduation, advanced learners are motivated to go for higher studies and to do the research. Professional counselling also provided to appear in the competitive exams.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institution does not analyze the knowledge level of the students enrolled before the commencement of the programme. However, once the students are enrolled, their level is identified and teachers plan teaching-learning accordingly. This informal analysis is done in the beginning of the programme during orientation, through simple test, class work, assignment, extempore class test etc. Students are motivated to join activities as per their interest and need of present time.

Percentage of the students at entry level is quite lower than the other colleges, hence remedial coaching as well as extra classes are conducted. Many students are benefitted by this.

Advance learners are identified during orientation in the beginning of the programme. Regular, attentive and interested in co-curricular and extra-curricular activities are identified during the classroom interaction and through simple tests. Such students are motivated and involved in academic, extra-curricular activities. These students also play active role in various committee of student's council. Such students are motivated and provided platform to sharpen their performance.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

College follows rules implemented by VNSGU except the internal exam schedule which is conducted as per college calendar.

Presently the college follows following pattern for internal evaluation of the students in B.A.

Students' evaluation is definitely a major indicator of their performance.

Since present exam system does not have any yardstick to measure student's competence individually, teacher and institution make use of this indicator at various level.

Students with excellent performance are given more opportunity and encouraged to develop their ability in various fields.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

If the student is not satisfied with his/her marks, he/she can get his/her answer book reassessed or rechecked in particular subject after getting consent from the principal.

Teacher concerned is instructed by the principal to clarify student's doubts in person showing his/her answer books and explaining evaluation method.

If some discrepancy is found, necessary changes are done and concerned departments are also informed about the modification.

Rechecking of the marks is done of all semester students.

Students can go for rechecking/reassessment within 10 days after the result is declared.

Dissatisfied students can apply for reassessment only in the final semester.

If the difference found is more than 11 marks, student is given modified new mark sheet.

SC/ST/OBC students are charged only 50% fees for rechecking/reassessment.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Shree Rang Navchetan Mahila Arts college established in 1994 and functions with a vision to cater quality education to woman in general and tribal in particular.

To accomplish this vision and to increase their employability, the institution offers various choices of Subjects to the students.

The Institution offers six subjects for specialization in U.G. and three subjects for specialization in P/G.

06 Courses in UG - Hindi, Gujarati, Sanskrit and Home-science and Economics. And English special in Self- Finance.

03 Courses in P.G. - Hindi. Economics & Sanskrit

The advantage of this system is that Students have the flexibility to choose their subjects from a list of nine and core courses.

Shree Rang Navchetan, Valia College is in South Gujarat region and affiliated to Veer Narmad South Gujarat University which offers such variety of subjects for specialization as well as core elective that is the distinctiveness the distinctiveness of the institution.

Annual Quality Assurance Cell of Shree Rang Navchetan Mahila Arts College implemented the practice of giving choices since many years even before CBCS was introduced by university.

Apart from that institution also offers 40 choices in elective subjects at UG Level.

With its strong philosophy, the college wishes to continue this practice as the need of the hour that emphasis on specialization and the right of every student to choose the subject of his/her interest.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Shree Rang Navchetan Mahila Arts college, Valia is affiliated to Veer Narmad South Gujarat University.

- The college operates at both UG and PG level, keeping in mind the goal of transforming lives through learning and nurturing an environment of intellectual excellence, inculcating values, identifying talents and above all making good human beings.
- In line with the academic calendar prepared by the University, the college prepares its academic calendar, specifying available dates for significant activities to ensure proper teaching -learning process and continuous evaluation.
- The timetable committee designs the timetable which is displayed on the college notice board and college website.
- When the syllabi in various programmes are circulated to the colleges, concern teachers/HoD get the copy of the syllabus in their subjects.
- Teachers imparts syllabi to students during orientation classes in the beginning of the year and clarify their doubts & queries.
- Most of the teachers function as the member of Board of Studies, Chairperson or other than the chairman.
- They provide important feedback to syllabi designing committees based on their experiences.
- There is a regular up-gradation of teachers' knowledge by participation in Orientation Programmes, Refresher Courses, Other Short - time courses, FDP, Seminars and Workshops.
- Feedback is collected from students and teachers for getting response on curriculum.

Thus, the college provides ample encouragement and opportunity for the overall development of the students.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

College follows rules implemented by VNSGU except the internal exam schedule which is conducted as per college calendar.

Presently the college follows following pattern for internal evaluation of the students in both B.A. & M.A.

- UG Sr. No. Detail Marks Min Marks: 10 Internal Exam 05
Attendance 05 Assignment

- PG Sr. No. Detail Marks Min Marks: 10 Internal Exam 05
Attendance 05 Assignment

However, Students' behaviour, their involvement in co-curricular, extra activities are also taken into consideration for internal evaluation.

Students' evaluation is definitely a major indicator of their performance.

Since present exam system does not have any yardstick to measure student's competence individually, teacher and institution make use of this indicator at various level.

Students with excellent performance are given more opportunity and encouraged to develop their ability in various fields.

Slow learners are offered counselling and guidelines to get through exam so that they may not drop their study.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Student passed out of city colleges mostly prefer city colleges; hence, the Institution comparatively receives slow learners being a college situated in the tribal rural area.

- Slow learners and advanced learners are identified in the introductory sessions or orientation lectures for the freshers.
- Advanced learners are identified by the faculties through class -tests, interactions in the classrooms and keenness on the students' part for learning.
- Advanced learners are given more tasks and often assigned to monitor slow learners.
- Faculties continuously monitor slow learners checking their responses whether oral or written, pointing out their errors and through such corrective measures.
- In subject like English, Economics and Home-science students' basic concepts are clarified before starting the regular courses.
- Faculties come to know about some economical or family reason about student's lagging behind in study, they are provided financial support by respective faculties and counselling is also offered to provide support to the slow learners
- Advanced learners are guided to refer to the reference books. They are also encouraged to attend symposia or seminars.
- After graduation, advanced learners are motivated to go for higher studies and to do the research. Professional counselling also provided to appear in the competitive

exams .

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institution does not analyze the knowledge level of the students enrolled before the commencement of the programme. However, once the students are enrolled, their level is identified and teachers plan teaching-learning accordingly. This informal analysis is done in the beginning of the programme during orientation, through simple test, class work, assignment, extempore class test etc. Students are motivated to join activities as per their interest and need of present time.

Percentage of the students at entry level is quite lower than the other colleges, hence remedial coaching as well as extra classes are conducted. Many students are benefitted by this.

Advance learners are identified during orientation in the beginning of the programme. Regular, attentive and interested in co-curricular and extra-curricular activities are identified during the classroom interaction and through simple tests. Such students are motivated and involved in academic, extra-curricular activities. These students also play active role in

various committee of student's council. Such students are motivated and provided platform to sharpen their performance.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

If the student is not satisfied with his/her marks, he/she can get his/her answer book reassessed or rechecked in particular subject after getting consent from the principal.

Teacher concerned is instructed by the principal to clarify student's doubts in person showing his/her answer books and explaining evaluation method.

If some discrepancy is found, necessary changes are done and concerned departments are also informed about the modification.

Rechecking of the marks is done of all semester students.

Students can go for rechecking/reassessment within 10 days after the result is declared.

Dissatisfied students can apply for reassessment only in the final semester.

If the difference found is more than 11 marks, student is given modified new mark sheet.
