Career Counselling Committee helps the students to understand the career options that they can opt for and how to achieve them. The programmes organized by this committee also help the students to identify their own strengths & weaknesses and accordingly select the career they would be suited for. Along with equipping them with necessary information regarding different career options, campus interview is also organized for placement of students. We also maintain a record of final year and passed out students and further send the same to companies for vacant posts. Job requirements are displayed on Career Counselling notice board and interested students go further with the procedure directly. The students are also continuously informed about the upcoming events, seminars, Webinar and job opportunities through social networking sites as what's app, Microsoft Team etc.
