Objectives of Career Corner & Vocational Guidance:

- **The main objective of Career Corner & Vocational Guidance is to make students career-ready before graduation. The NEP 2020 has highlighted multiple reasons for including vocational training in the current learning pattern. It includes preparing students to acquire real-time and practical experience in their chosen career field. Various aspects of vocational guidance include the following:**
- **The sole purpose of vocational guidance is to guide a student in making a proper decision regarding his/her career - To help students be clear about their careers**
- **Vocational guidance helps students to assess their own capabilities, interests, aptitudes, skills and other qualities as a result of which they can be able to know themselves and choose best so far, their professional choice is concerned.**
- **Career guidance will help students fulfill their aspirations by setting up realistic goals.**
